## **MEETING RECAP:**

President Button called the meeting to order with prayer (Darrell Gerrietts) and the Pledge of Allegiance.

President Button gave the club an update on the placing of service club signs at the entrances to Waverly. It appears that this will be completed very soon.

Bill Carpenter and Dennis Peterka will be filling us in on an upcoming food drive.

On a sad note the club will be losing Dick & Linda Miller as members. They have sold their Waverly residence and will be moving to the Cedar Rapids area. Thank you for your contributions to the club and the community. We will miss you. If you have a chance, please wish Dick and Linda well in this new stage of their life.

New officers are invited to the executive committee meeting Tuesday, June 14. At 7:00 a.m. at the Waverly Health Center.

Darrell Gerrietts introduced today's speaker, Mark Anderson. Mark is the Assistant to the Bishop, Northeast Iowa Synod. Mark gave us information on the ELCA Malaria Campaign. The Northeast Synod has joined the Evangelical Lutheran Church in America and African companion churches in a global effort to prevent, treat and contain malaria by 2015. Malaria is preventable. Malaria is treatable. The simplest and most effective preventive measure is the usage of mosquito nets. One \$10 net prevents the death of one person. One net equals one life. Quote of the day – "Success isn't determined by how many times you win, but by how you play the week after you lost." Pele
